Recruiting Rewards

As a consultant, you receive a bonus for every new consultant that you introduce into the business.

If you are doing two average parties per week, your income will be \$1,400. If you have a consultant who is doing the same, you will receive a recruiting bonus of \$80 based on her sales, bringing your income to \$1,480.

The more consultants you introduce to the business and help to sell product as well as you, the higher your income.

With more people in your team and with higher sales, the sky is the limit!

Leadership

Once you introduce four new consultants into your team, you may qualify for team manager.

With you and your four consultants all doing two parties per week, group sales will be around \$20,000.

Your leadership bonus is based on group sales and with this group, you would receive another \$1,000 income.

This brings your personal income to:

Personal sales	\$ 1,400
Recruiting bonus (4 people)	\$ 360
Leadership Bonus	\$ 1,000
